The main map area displays a detailed topographic map of the Swiss Alps. A blue line represents the cycling route, starting from Davo (marked with a blue pin 1) and ending at Valchava (marked with a blue pin 5). The route passes through several mountain passes and valleys, including the Julierpass (marked with a blue pin 3) and the Stilfser Joch (marked with a blue pin 5). The map shows various towns and villages such as Landquart, Zizers, Jenaz, Luzern, Serneus, Klosters-Serneus, Laret, Davo, Glaris, Monstein, Zernez, Livigno, and Valchava. The map also shows various mountain peaks and passes, such as the Grossglockner, Piz Buin, and Piz Minschun. The map is powered by GraphHopper, Carto, Sources, and OpenStreetMap contributors. The copyright notice at the bottom right reads: "Powered by GraphHopper, Carto, Sources, © OpenStreetMap contributors © Bundesamt für Kartographie und Geodäsie 2017, Datenquellen."

Wenn noch Zeit ist, kann man nach Valchava noch das Stilfser-Joch fahren, das wären dann 340 km.
